JOHN SMITH'S BITTER

MANAGER'S REVIEW

Since our last home game we have had two away games losing one at Hull City and then winning in convincing style at Scunthorpe. Our new signing Malcolm Crosby from Aldershot made a useful contribution in the latter game and that coupled with the return to fitness of a couple of players and Keith Walwyn back after suspension made a big difference.

Today we welcome Wigan Athletic, Directors, Players and Supporters and trust that the game will be keenly contested from the first whistle.

As most Supporters will be aware we have been drawn against Stafford Rangers away in the F.A. Challenge

Cup First Round Proper. These games are always difficult mainly because Non-League teams have all to gain and nothing to lose. At the moment Stafford are in the bottom half of the Alliance Premier League but we all know about Cup football. However, we have every intention of clearing this hurdle at the first attempt.

Finally a note of encouragement to our Youth Team beaten by a much stronger side from Barnsley in the Youth Cup. It is fair to say that the extra fitness of the Barnsley lads could be attributed to the fact that they are all on Barnsley's books.

CITY NEWS DESK

YORK CITY TRAVEL CLUB

The York City Travel Club are running coaches to the F.A. Cup game at Stafford on Saturday, 21st November 1981. The arrangements are : DEPART York 11 a.m., Fare £5.00

Bookings can now be made at the Travel Club Office. As per Travel Club Rules all reservations must be paid for 48 hours prior to departure. **This is not an all ticket match.**

A limited number of stand tickets will be available at £2.00 but the ground capacity is 8000 so there should be plenty of ground tickets available at £1.50 on sale at the match.

SPORTSMANS DINNER

The next Sportsman's Dinner will be held in the York City Social Club on Thursday, 26th November, 1981 when the Guest Speakers will be Emlyn Hughes (ex-Liverpool and now manager of Rotherham United) and Comedian Al Read.

Any one requiring tickets should contact the Club Office where booking are being accepted. Numbers are limited to about 100 so book early, if you can.

JUNIOR REDS

There are still one or two problems to iron out within the next few days to enable us to get the Reds moving. However, we can welcome today 11

year old Craig Fillingham who is the Wigan Mascot and Steven Howard our mascot who is also 11 years. We would have liked to have Craig and Steven's photo's in the programme but this was not possible. However, we are hoping that the Press will be able to cover the pre-match events planned for the youngsters and that we will be able to supply them with a happy memory of today.

YORK CITY SOCIAL CLUB

With effect from 3rd November, the Social Club will be open on lunch-times from 11.30—3.00 (Monday to Friday) to provide members with the usual club facilities plus the opportunity to purchase lunches and bar snacks. The normal evening opening times are 6.30—11 p.m. and Saturday (home matchdays) 12.30—2.45 p.m. and 4.45 until 11 p.m. The Social Club now has Eight Ball Pool facilities along with the usual facilities available. THE VISITORS

WIGAN ATHLETIC

Wigan Athletic, who have finished 6th (twice) and 11th in their 3 previous seasons in the Football League, are hopeful of staging a strong promotion bid this term under the player/managership of former England, Liverpool and Nottm. Forest star **LARRY LLOYD**. They have made a good start to the season winning 6 of their first 8 home games and winning twice (at Hull and Colchester) and drawing 3 of their 7 away fixtures to date. In the League Cup they knocked out Stockport and Aldershot but these notes were written prior to their midweek 3rd Rd. tie at Chelsea. Their likely side this afternoon:—

Goalkeeper **ROY TUNKS** was a £10,000 close season signing from Preston North End with whom he made 277 league appearances. A very experienced keeper he started his career with Rotherham United and had a short spell on loan with us back in 1968/69. **JOHN McMAHON** is another former Preston player who was signed during the summer from Crewe Alexandra. **ALEX CRIBLEY** was formerly on Liverpool's books, but did not make his league debut until joining his present Club. His first senior game for Wigan was in November 1980 whilst former junior player

MARK WIGNALL made his league debut in February 1981. Skipper **COLIN METHVEN** was an ever present last season. A Scot he was previously with East Fife. **DAVID GLENN** is a local lad who is now establishing himself in the senior side. Close season signing from Altrincham **GRAHAM BARROW** is the Club's second leading scorer to date with 7 goals. Another newcomer to Springfield Park this term is experienced campaigner **LES BRADD**. Les was formerly with Notts. County (398 league appearances) where he was a close colleague of Kevin Randall and Stockport County (117 league appearances). Leading scorer is **PETER HOUGHTON** who was acquired from non-league football in Liverpool. He tops 100 league appearances for the Club and has proved to be a consistent marksman. Former Blackpool player **JIMMY WESTON** was signed from Torquay United in September for £10,000. **CLIVE EVANS** was a £25,000 close season signing from Tranmere Rovers with whom he made 178 league appearances.

Wigan won on their first two visits to Bootham Crescent 1—0 in 1978/79 and 2—1 in 1979/80 but in the corresponding game last season we were successful 2—1.
